Reports:

Facilitator:

Cal – My apologies for missing area last month. Some of my filming contracts have been happening over weekends and will continue to happen this way unfortunately. I’m hoping it won’t affect my attendance too much, but we will see as the summer unfolds. I know that next July I am working the 2 first Sundays of the month and so I asked Greg to Facilitate and he accepted. I may have a monthly reoccurring contract taking place every first Sunday of the month which may make it difficult for me to stay on at Area...I don’t know how long this contract will last but for now it’s happening once a month on the first Sunday...It didn’t take place today as it was canceled last minute which is why I am able to attend this meeting.

I received an email from Dawn M and she will be resigning effective immediately from her 2 positions here at SOFA. She didn’t give any reasons why; she just wanted to inform us and let everyone know that she very much enjoyed being of service here at the area level over the past 3+ years. Please add the Co-Facilitator and Guidelines point person to your list of open positions and bring back to your group.
