### **Report - Cal:**

As a result of not having the secretary position filled, I created the June minutes with the help of Zach's notes that he took during the last Area meeting. Please let me know if I missed anything in the minutes as I will be doing this until we have the Secretary position filled. I emailed everyone on my email list Concept 7 prior to AREA, if you did not receive this email, please let me know, and give me your email address so I can add it to the mailing list.

Thanks,

Cal

- We are getting excited about World Unity Day [<https://na.org/naws-events/annual-events/>]! For 24 full hours beginning 9pm Pacific Time 5 September 2025, events, workshops, games, videos, speakers and more will be hosted by your World Board and NA zones around the world! Watch this space for more information—and don't forget to send us photos [<https://form.jotform.com/nawsdigital/please-share-your-na-event-photos>] from NA events and celebrations in your communities so we can include them in our videos and PowerPoints.
- We have made some improvements to our contributions page [4]. The new interface allows us to track contributions in a simple, clear, and secure system so member, group, and service body or event contributions are easier to record and report.
  - The options for “NA Groups and Service Bodies” have changed. There are options to make contributions on behalf of NA Groups (including virtual meetings and meetings with no region affiliation), Areas, Regions, and Zones.
  - We accept contributions in your local currency, through recurring or one-time contributions, and in honor or memory of NA members you wish to acknowledge.
  - Please reach out to us at [contributionquestions@na.org](mailto:contributionquestions@na.org) if you have any questions, or if you have a recurring contribution set up through the old NAWs user portal.

- We are pleased to announce that the NA World Services Annual Report is now available. The annual report is a review of our activity for the fiscal year 2024 (1 July 2023 to 30 June 2024). Each year, information about the growth of our Fellowship, literature sales and Fellowship development, the office and staff, and your contributions are compiled and reported. In the Annual Report, numbers tell the story of our efforts to carry out our Vision for NA Service.
    - Because it can take so long, we are including the reporting from WCNA 38 in this AR, even though it took place in the next fiscal year. We know that many of you have been interested in the numbers from the convention, so we wanted those to be available to you as soon as possible. <https://na.org/news-reports/news-annual-report/>
  - Canadian Assembly Zonal Forum Environmental Scan: A Request for Input (2025) <https://canaacna.org/planning/>
    - The Canadian Assembly is conducting an external scan to direct its service efforts. Please take some time and fill out the survey. From this webpage you can also join one of the CANA workgroups (listed below)

## Activities:

- **Dawn B:**  
Report: Activities Report July 13, 2025
  - Today I am going to talk about the white-water rafting event.
    - We had 51 members registered and we were able to help 25 members go white water rafting, through our fundraising efforts.
    - This morning though we only had 44 members actually be there for the rafting event.
    - Seeing that this was the first big event this committee put together, this was a big learning experience for our entire committee.
  - We have discussed a beach day for the first week in August and doing a waterslide day in Tsawwassen water slides. having met some individuals from Vancouver Island we are going to talk to Nanaimo and Victoria and arrange rides to help.
  - Unity Day is coming up on August 16th, there will be a sign-up sheet for volunteers done via sign up genius. We will have one confirmed workshop. Need at least 90 volunteers for this event. Rob is cooking again, and I am ordering. I also am in charge to make sure Rob has enough volunteers in the kitchen. And I will be doing a schedule for people for one hour to two hours intervals.
    - Unity Day will be doing a workshop, having speakers, dinner and a dance.
