## Trusted Servant Reports:

Each group report from the acting chair is attached below:

### Facilitator:

- Ken – Present. Read the Fifth NA Service Concept, **see below excerpt:**

### Fifth Concept

*For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.*

The key to applying the Fifth Concept is in defining the task that needs to be done, and the easiest way to apply it is right from the start. When we first create a service task, we should consider what kind of authority we must delegate in order for that task to be accomplished, and what kind of accountability we should require of those to whom we are giving that task. Then, one particular trusted servant, service board, or committee should be designated as the single point of decision and accountability for that assignment. This simple principle applies to all the services provided in Narcotics Anonymous, from the group to our world services.

- 
- **A copy of the full version of NA Service Concept 5 is attached at the end of these minutes.**
- Ken asks if we should continue with these monthly Concept readings?

- Members comment on how long this one was, hard to maintain attention, wondering if we should summarize instead.
  - Others agree the full reading is beneficial to service members and a necessary reminder.
  - Wondering about the pre- area emails that Ken sent prior to each area, consensus is that these were helpful.
  - Ken will implement this process again and/or bring printed copies for reference during reading.
- 

### Co-Facilitator:

- Position Open – **please bring back to your groups.**
- 

### Secretary:

- Alex – Present. Reported:
    - Not much to report, minutes went out to new GSR contacts as per April GSR Reports.
    - Ron (SBTS) advises he did not get the email – noted I recall having it on his report and will ensure his email is added this time.
    - Asked members who want to be added to circle their emails or star them to indicate new addition, despite best attempts some get missed.
  - Matt (Friday Night Fight) asks about GSR cakes – noting he does not want to create more work but wondering if cake lists can be sent earlier
    - Advised to take a photo of the Basic News Handout before leaving Area today as this will have everything.
- 

### Treasurer:

- Leanne – Present. **Treasurer report is attached at the end of the minutes.**
- 

### RCM 1:

- Jenna – Present. **RCM 1 Report is attached at the end of these minutes.**

    - Mentorship opportunity – Jenna to onboard Rhea for RCM service training
      - Intended to support her in RCM 2 role, subject to successful election.

### Activities Chair:

- Dawn – Absent.
- Resignation Statement read by Ken:

Activities Chairperson Resignation Statement

Date: May 3, 2026

Dawn Bruneau

My name is Don Bruno, and I am an addict. I am deeply grateful to Narcotics Anonymous for helping me stay clean for the past four years. My life has changed in many ways since taking on this service position as Activities Chairperson.

Because of the amount of work involved with this role and the changes in my personal life, I no longer have the time necessary to continue serving effectively. I feel it would be unfair to the fellowship to remain in this position if I can't give it the attention it deserves.

I have turned in all receipts and forwarded all remaining funds from the Activities account to the appropriate trusted servant. I also followed up with Chilliwack River Rafting regarding the last year's event; they will be sending a refund for three participants, minus a \$50 deposit, which will go directly to the SOFA Treasurer.

This step brings me some peace of mind, as I know everything is in order. I've learned a great deal while serving in this position, lessons that have helped me grow personally and in recovery. Although at times it felt challenging with limited support from the area, I did my best, and I'm proud that our events raised funds and helped people stay clean.

I truly hope someone is willing to take on this role moving forward. Whoever does is welcome to reach out to me anytime; I'll gladly share what I've learned and offer guidance where I can.

It's been an honor to serve this fellowship. Though I will be stepping down, I remain committed to my recovery and to staying clean, one day at a time.

Thank you for allowing me to be of service.

Dawn Bruneau

Activities Chairperson (outgoing)

- Members all acknowledge and thank Dawn for her service.

  - Unity Day Update:
    - SOFA is contributing to and assisting the Unity Day committee

    - Interested members can reach out to Jamie

  - In absence of a chair all Activities Committee events that are not already finalized / approved must be placed on hold.
  - Will announce need for Chair in GSR announcements – Alex to add
  - Leanne is working on sorting out historical accounting (receipts) with the help of Dawn.
  - As per the service committee advice from Regional, the Activities Account will be closed and transferred to the main SOFA account for administration. A separate account specific to the committee is also being set up for future use.
  - Jamie confirms the committee had two events under way; a BBQ to fundraise for White Water Rafting, and White Water Rafting.
    - Unity Day is also under way but that has already been approved and/or funded by SOFA
    - Ken confirms that as of now, the BBQ cannot move forward and therefore the White Water Rafting will also be on hold until further notice.

ACTING MEMBERS:

KEN

JENNA

JESSICA

*A meeting was held yesterday via Whatsapp, we had two lovely attendees. We went over a couple of documents. For the table of contents, we decided we might need to add page numbers on it and some more details added for easier reference.*

*We then discussed the flow of responsibility for subcommittees. Ken took the initiative on that, and it was adding in concepts and referencing traditions throughout the flow of responsibility.*

*We have also created an e-mail address for the guidelines committee, and that way we can all have access to the drafts and work on that from there. I feel like we did quite a bit this weekend.*

*Jenna will be reaching out at regional for anybody who's willing or able to help us kind of get our guidelines in order, whether that be Hooman, the regional guidelines chair, or other areas that have updated their guidelines recently. Thanks, guys.*

*Any questions for Jessica?  
All right. Thanks, Jessica.*

## Fifth Concept

*For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.*

The key to applying the Fifth Concept is in defining the task that needs to be done, and the easiest way to apply it is right from the start. When we first create a service task, we should consider what kind of authority we must delegate in order for that task to be accomplished, and what kind of accountability we should require of those to whom we are giving that task. Then, one particular trusted servant, service board, or committee should be designated as the single point of decision and accountability for that assignment. This simple principle applies to all the services provided in Narcotics Anonymous, from the group to our world services.

When we decide a certain service task should be done, and clearly say which trusted servant, service board, or committee has the authority to accomplish the task, we avoid unnecessary confusion. We don't have two committees trying to do the same job, duplicating efforts or squabbling over authority. Project reports come straight from the single point of decision for the project, offering the best information available. An assigned service responsibility can be fulfilled swiftly and directly, because there is no question of whose responsibility it is. And if problems in a project arise, we know exactly where to go in order to correct them. We do well when we clearly specify to whom authority is being given for each service responsibility. The single point of decision we define for each service responsibility is also a single point of accountability. As we've already seen in the Fourth Concept, and as we shall see further in Concept Eight, accountability is a central feature of the NA way of service. When we give our trusted servants responsibility for a particular service task, we hold them accountable for the authority we've delegated them. We expect them to remain accessible, consistently providing us with reports of their progress and consulting with us about their responsibilities.

*Accountability* does not mean that we delegate authority only to take it right back. It simply means that we want to be informed of decisions our trusted servants are considering as they go about the tasks we've assigned them. We want to have the opportunity to impact those decisions, especially if they directly affect us. And we want to be kept up-to-date on each responsibility we've assigned to the service structure so that, if something goes wrong, we can take part in making it right.

The Fifth Concept helps us responsibly delegate our authority for NA services. In exercising the Fifth Concept, we make a simple, straightforward contract with our trusted servants. Right from the start, they know what we are asking of them, what decisions they are expected to make themselves, and to what degree we will hold them accountable for the service work they do on our behalf. Exercise of Concept Five is not a task to be taken lightly. It calls for us to carefully consider the service work we want done; to clearly designate who should do that work; to delegate the authority to do it; and to maintain accountability for those duties. It takes effort to conscientiously apply Concept Five, but the results are worth the effort.

## **RCM REPORT – MAY 3 2026**

### **Events**

- WSC Unity Day - 3<sup>rd</sup> and 4<sup>th</sup> of May NA History – 9<sup>th</sup> of May Speaker meeting; Zoom 7pm PST
- Spring Clean is looking for vintage NA merchandise for the auction
- New NA Meeting: H.A.L.T -Step 10 focus > Thursdays, 7:30pm @ Grandview church
- Vancouver Area - Board Game & social night > every Saturday through May 8:30-11:30pm @ VRC

### **Zoom**

The Region has a zoom account that can be accessed by members/areas for virtual service meetings and/or workgroups. Personally, I didn't know this existed and it seemed like most other RCMs didn't either. Regional Admin is going to appoint a point person for this as well as a schedule if there is lots of interest from the areas.

As discussed at the last area meeting, I will be addressing the issues brought up about NAWS with the delegate team in Kelowna. I have had a few off the record conversations about this but, I will be giving a formal report on the subject next month.

Any code of conduct feedback?
